## PROGRAMME REPORT

PROGRAMME NAME	A One Day Seminar on Advancing Pharmaceutical Research through Robust Experimental Designs
RESOURCE PERSON	Mrs.Swathi Nageswara Guest Faculty, ANDHRA UNIVERSITY COLLEGE OF PHARMACEUTICAL SCIENCES VISHAKAPATNAM PHONE NO: 8074205755 EMAIL ID: swathinageswara@gmail.com
DATE OF ACTIVITY	12.07.2018
PROGRAMME COORDINATOR	Mr.S.K.Sahoo M.Pharm Sri Sivani College of Pharmacy
VENUE	SSCP SEMINAR HALL
ORGANISED BY	SRI SIVANI COLLEGE OF PHARMACY
NO OF PARTICIPANTS	53

### OBJECTIVES OF THE PROGRAMME

The objective of the one-day seminar on "Advancing Pharmaceutical Research through Robust Experimental Designs" is to provide participants with an in-depth understanding of how robust experimental designs can significantly enhance the quality and efficiency of pharmaceutical research. The seminar aims to highlight the pivotal role of experimental design in optimizing drug development processes, ensuring the reliability of results, and accelerating the discovery of new pharmaceutical products. Through this seminar, participants will be equipped with the knowledge and skills necessary to apply advanced experimental design techniques in their pharmaceutical research endeavors

**Outcome of the seminar:**

By the end of the seminar, participants will have achieved a comprehensive understanding of the principles and applications of robust experimental designs in the context of pharmaceutical research. Attendees will be able to identify critical factors influencing drug development processes and learn how to strategically design experiments to account for these factors while minimizing variability and bias. They will gain insights into methodologies for optimizing formulation development, dosage determination, stability testing, and efficacy assessment. Through case studies and practical examples, participants will see how experimental designs contribute to making informed decisions at various stages of pharmaceutical research, leading to cost savings, shortened development timelines, and improved overall research outcomes. Ultimately, the seminar will empower participants to play a pivotal role in advancing pharmaceutical research by implementing sophisticated experimental designs that foster innovation, accuracy, and efficiency in drug discovery and development.

## ABOUT THE COLLEGE

Sri Sivani College of Pharmacy was established in the year 2007 under the visionary management of Sri Sivani Educational Society, led by highly motivated and philanthropic individuals with a vision for meticulous planning and commitment to the upliftment of professional education in rural areas of Srikakulam district, Andhra Pradesh. The college is situated in the Eastern Ghats of Andhra Pradesh with a serene, beautiful atmosphere near NH-16, making it easily accessible by bus and local transport from Srikakulam town. The campus is spread across 2.56 acres of pollution-free, picturesque, lush green surroundings, creating the right ambience and conducive environment for quality education and research.

The college building is spacious and constructed as per All India Council for Technical Education (AICTE) norms and specifications and the Pharmacy Council Of India (PCI), New Delhi.

The college offers B. Pharmacy in UG and M. Pharmacy (PG) with three Specializations of Pharmaceutics, Pharmaceutical Analysis, and Pharmaceutical Regulatory Affairs. All India Council for Technical Education (AICTE), the Pharmacy Council of India (PCI) in New Delhi, and the Government of Andhra Pradesh recognize and approve these courses.

The institute's infrastructure includes well-equipped laboratories, a well-stocked library, spacious lecture halls, separate hostels for boys and girls, a hygienic canteen, a generous playground, payphones, computer labs, and language labs. These amenities collectively create an environment conducive to academic learning, offering students quality education in a clean and comfortable setting.

We are proud to feel that our product has achieved glorious, outstanding results in both the on-campus and off-campus selections and is in highly competitive positions.

## QUALITY POLICY

Sri Sivani Educational Society committed to create quality professionals in order to meet emerging industrial and society needs through a system of quality assurance and to continuously address, monitor and evaluate the quality of education through an effective teaching and learning process.

## PROGRAMME REPORT

<b>PROGRAMME NAME</b>	A One Day Seminar on Women Entrepreneurs in India: Empowering the Future
<b>RESOURCE PERSON</b>	<b>Mrs.A.H.V.Santoshi</b> M.Pharm(Ph.D) Associate.Professor Avanthi Institute of Pharmaceutical Sciences, Tagarapuvalasa. PHONE NO:949263315 EMAIL ID: hema.apple@gmail .com
<b>DATE OF ACTIVITY</b>	28.07.2018
<b>PROGRAMME COORDINATOR</b>	Mr.S.K.Sahoo M.Pharm Sri Sivani College of Pharmacy
<b>VENUE</b>	SSCP SEMINAR HALL
<b>ORGANISED BY</b>	SRI SIVANI COLLEGE OF PHARMACY
<b>NO OF PARTICIPANTS</b>	63

### **OBJECTIVES OF THE PROGRAMME**

The primary objective of this one-day seminar is to shed light on the challenges, opportunities, and strategies related to women entrepreneurs in India. The seminar aims to foster a deeper understanding of the unique experiences and contributions of women entrepreneurs, while also exploring ways to create an enabling environment that empowers and supports their growth. By the end of the seminar, participants should have a heightened awareness of the issues faced by women entrepreneurs and be equipped with insights to drive positive change in this dynamic sector

**Mrs.A.H.V.Santoshi interacting and delivered her talk to students on 28.07.201**

**Seminar Outcomes:**

**Recognition of Women's Entrepreneurial Contributions:**

The seminar will highlight the significant role women entrepreneurs play in the Indian economy. Participants will gain insights into their diverse contributions across industries and sectors.

**Understanding Challenges and Barriers:**

Attendees will explore the challenges faced by women entrepreneurs in India, such as access to funding, gender bias, societal expectations, and work-life balance. Understanding these challenges is crucial for devising effective solutions.

**Knowledge of Success Stories:**

Participants will be exposed to inspiring success stories of women entrepreneurs who have overcome obstacles and achieved remarkable business growth. These stories will serve as motivation and examples of what can be achieved.

**Empowerment Strategies:**

The seminar will provide actionable strategies for empowering women entrepreneurs, including mentorship programs, skill development initiatives, networking opportunities, and access to resources.

Overall, the seminar aims to create a platform for meaningful discussions, knowledge sharing, and empowerment, ultimately contributing to the growth and success of women entrepreneurs in India and shaping a more inclusive and equitable entrepreneurial landscape

## ABOUT THE COLLEGE

Sri Sivani College of Pharmacy was established in the year 2007 under the visionary management of Sri Sivani Educational Society, led by highly motivated and philanthropic individuals with a vision for meticulous planning and commitment to the upliftment of professional education in rural areas of Srikakulam district, Andhra Pradesh. The college is situated in the Eastern Ghats of Andhra Pradesh with a serene, beautiful atmosphere near NH-16, making it easily accessible by bus and local transport from Srikakulam town. The campus is spread across 2.56 acres of pollution-free, picturesque, lush green surroundings, creating the right ambiance and conducive environment for quality education and research.

The college building is spacious and constructed as per All India Council for Technical Education (AICTE) norms and specifications and the Pharmacy Council Of India (PCI), New Delhi.

The college offers B. Pharmacy in UG and M. Pharmacy (PG) with three Specializations of Pharmaceutics, Pharmaceutical Analysis, and Pharmaceutical Regulatory Affairs. All India Council for Technical Education (AICTE), the Pharmacy Council of India (PCI) in New Delhi, and the Government of Andhra Pradesh recognize and approve these courses.

The institute's infrastructure includes well-equipped laboratories, a well-stocked library, spacious lecture halls, separate hostels for boys and girls, a hygienic canteen, a generous playground, payphones, computer labs, and language labs. These amenities collectively create an environment conducive to academic learning, offering students quality education in a clean and comfortable setting.

We are proud to feel that our product has achieved glorious, outstanding results in both the on-campus and off-campus selections and is in highly competitive positions.

## QUALITY POLICY

Sri Sivani Educational Society committed to create quality professionals in order to meet emerging industrial and society needs through a system of quality assurance and to continuously address, monitor and evaluate the quality of education thorough an effective teaching and learning process.

## OBJECTIVE OF THE PROGRAM

The primary objective of this one-day seminar is to shed light on the challenges, opportunities, and strategies related to women entrepreneurs in India. The seminar aims to foster a deeper understanding of the unique experiences and contributions of women entrepreneurs, while also exploring ways to create an enabling environment that empowers and supports their growth. By the end of the seminar, participants should have a heightened awareness of the issues faced by women entrepreneurs and be equipped with insights to drive positive change in this dynamic sector.

## PROGRAMME REPORT

PROGRAMME NAME	A One Day Seminar on Introduction to Intellectual Property Rights: Understanding the Basics
RESOURCE PERSON	Mr.P.N. Mallikarjuna M.Pharm, (Ph.D) Associate Professor VIGNAN INSTITUTE OF PHARMACEUTICAL TECHNOLOGY VISHAKAPATNAM PHONE NO: 9908056167 EMAIL ID: mallik6567@gmail.com
DATE OF ACTIVITY	27.08.2018
PROGRAMME COORDINATOR	Mr.S.K.Sahoo M.Pharm Sri Sivani College of Pharmacy
VENUE	SSCP SEMINAR HALL
ORGANISED BY	SRI SIVANI COLLEGE OF PHARMACY
NO OF PARTICIPANTS	67

### OBJECTIVES OF THE PROGRAMME

- The objectives of the "One Day Seminar on Introduction to Intellectual Property Rights: Understanding the Basics" are as follows:
- Fundamental Awareness: To provide participants with a clear and foundational understanding of the concept of intellectual property rights (IPRs) and their significance in today's knowledge-based economy.
- Types of IPRs: To familiarize attendees with the major types of intellectual property rights, including copyrights, trademarks, patents, trade secrets, and industrial designs, elucidating their individual characteristics and protection mechanisms.
- Importance of Protection: To highlight the importance of protecting intellectual property assets and the role they play in fostering innovation, creativity, and economic growth.

- **Legal Framework:** To introduce participants to the legal frameworks and international agreements governing intellectual property rights, including key treaties such as the Paris Convention, TRIPS Agreement, and Berne Convention.

## OUTCOME OF PROGRAMME

The "One Day Seminar on Introduction to Intellectual Property Rights: Understanding the Basics" is designed to provide participants with a comprehensive overview of the fundamental concepts and principles of intellectual property (IP) rights. By the end of the seminar, attendees can expect to achieve the following outcomes:

1. **Foundational Knowledge:** Participants will gain a clear understanding of what intellectual property rights encompass, including copyrights, trademarks, patents, trade secrets, and related legal frameworks.
2. **Different Types of IP Rights:** Attendees will be introduced to the various categories of intellectual property rights and their respective purposes, fostering a holistic perspective on IP protection.
3. **Importance of IP Protection:** The seminar will highlight the significance of protecting intellectual property as a means to incentivize innovation, creativity, and entrepreneurship.
4. **Copyright Basics:** Participants will learn about copyright protection for creative works, including literature, music, art, and software, and the rights and limitations associated with it.
5. **Trademark Essentials:** Attendees will understand the role of trademarks in brand identity, recognition, and protection, including the process of registration and enforcement.
6. **Patent Overview:** The seminar will provide insights into the patent system, covering the patentable subject matter, requirements for patentability, and the benefits of obtaining a patent.

Overall, the seminar aims to equip participants with a strong foundation in intellectual property concepts, enabling them to recognize the value of intellectual property assets, make informed decisions regarding protection strategies, and navigate the broader landscape of innovation and creativity with a clear understanding of IP rights.

## PROGRAMME REPORT

<b>PROGRAMME NAME</b>	A One Day Seminar on Enforcing Intellectual Property Rights: Legal Remedies and Strategies
<b>RESOURCE PERSON</b>	<b>Dr.K.Raja Rajeswari</b> <b>M.Pharm,Ph.D</b> Associate Professor, Sri Venkateswara College of Pharmacy Etcherla, Srikakulam PHONE NO: 9908100833 EMAIL ID: drrajarajeswarikatta@gmail.com
<b>DATE OF ACTIVITY</b>	<b>12.09.2018</b>
<b>PROGRAMME COORDINATOR</b>	Mr.S.K.Sahoo M.Pharm Sri Sivani College of Pharmacy
<b>VENUE</b>	SSCP SEMINAR HALL
<b>ORGANISED BY</b>	SRI SIVANI COLLEGE OF PHARMACY
<b>NO OF PARTICIPANTS</b>	36

### **OBJECTIVES OF THE PROGRAMME**

The objective of this one-day seminar is to provide participants with a comprehensive understanding of the various legal remedies and strategies available for enforcing intellectual property (IP) rights. The seminar aims to equip attendees with practical knowledge and insights that will enable them to navigate the complex landscape of IP enforcement effectively. By the end of the seminar, participants should have a clear grasp of the legal tools at their disposal and be capable of formulating and implementing strategies to protect their intellectual property assets

**Dr.K. Raja Rajeswari interacting and delivered her talk to students on 12.09.2018.**

**Understanding IP Rights and Infringements:**

Participants will gain a thorough understanding of different types of intellectual property rights, including patents, copyrights, trademarks, and trade secrets. They will learn to identify potential infringements and violations that can occur across these IP categories.

**Knowledge of Legal Framework:**

Attendees will be introduced to the legal framework governing IP rights enforcement, both at the national and international levels. They will become familiar with relevant statutes, regulations, and treaties that play a crucial role in IP protection and enforcement.

**Awareness of Enforcement Procedures:**

Participants will learn about the procedural aspects of enforcing IP rights, including methods for initiating legal actions, gathering evidence, filing complaints, and seeking court orders. This will encompass both civil and administrative procedures.

**Legal Remedies Available:**

The seminar will delve into the range of legal remedies available to IP holders when their rights are infringed, such as injunctions, damages, account of profits, and orders for the destruction of infringing goods. Attendees will understand how these remedies can be tailored to their specific situations.

**Strategies for IP Protection:**

The seminar will emphasize proactive strategies for IP protection, including drafting solid IP agreements, implementing internal IP policies, and conducting IP audits. Participants will learn how to create a robust foundation for IP enforcement.

Overall, the seminar aims to empower participants with the expertise to navigate the intricate landscape of enforcing intellectual property rights, enabling them to safeguard their creative and innovative assets effectively.

### **OBJECTIVES OF THE PROGRAMME**

The one-day seminar on Research Design and Methodology aims to equip participants with a comprehensive understanding of the foundational principles essential for designing and conducting successful research studies. Through interactive sessions and practical insights, the program seeks to empower attendees with the knowledge and skills necessary to develop robust research frameworks, ensuring the credibility, reliability, and relevance of their studies.

## OUTCOME OF THE SEMINAR

Upon completion of the seminar, participants will gain a solid foundation in research design and methodology, enabling them to conceptualize, plan, and execute studies effectively. They will acquire proficiency in selecting appropriate research methods, designing data collection instruments, and understanding ethical considerations. Ultimately, attendees will be well-prepared to embark on successful research endeavours, contributing to the advancement of knowledge within their respective fields.

### **OBJECTIVES OF THE PROGRAMME**

The objective of the "Patent Renewals and Maintenance in India: Compliance and Cost Management" one-day seminar is to equip participants with a comprehensive understanding of the processes, regulations, and strategies related to patent renewals and maintenance in the Indian context. The seminar aims to provide participants with the knowledge and tools to effectively manage patent portfolios, ensure timely compliance with renewal requirements, optimize cost management strategies, and navigate the complexities of patent maintenance. By the end of the seminar, attendees will be empowered to make informed decisions regarding patent renewals, minimize risks of lapses, and maximize the value of their intellectual property assets while efficiently managing associated costs

## OUTCOME OF SEMINAR

The One Day Seminar on Patent Renewals and Maintenance in India: Compliance and Cost Management equips participants with a comprehensive understanding of the intricacies surrounding patent renewals and maintenance. By the end of the seminar, attendees will have gained valuable insights into the legal and procedural aspects of patent renewal in India, enabling them to navigate complex compliance requirements efficiently. The seminar focuses on effective cost management strategies, ensuring participants can optimize their patent portfolios while minimizing financial burdens. Overall, participants will leave with a heightened ability to make informed decisions regarding patent renewals, ensuring the protection of intellectual property assets while strategically managing associated costs

Overall, the seminar aims to empower participants with the necessary knowledge, skills, and insights to Patent Renewals and Maintenance in India

## ABOUT THE COLLEGE

Sri Sivani College of Pharmacy was established in the year 2007 under the visionary management of Sri Sivani Educational Society, led by highly motivated and philanthropic individuals with a vision for meticulous planning and commitment to the upliftment of professional education in rural areas of Srikakulam district, Andhra Pradesh. The college is situated in the Eastern Ghats of Andhra Pradesh with a serene, beautiful atmosphere near NH-16, making it easily accessible by bus and local transport from Srikakulam town. The campus is spread across 2.56 acres of pollution-free, picturesque, lush green surroundings, creating the right ambiance and conducive environment for quality education and research.

The college building is spacious and constructed as per All India Council for Technical Education (AICTE) norms and specifications and the Pharmacy Council Of India (PCI), New Delhi.

The college offers B. Pharmacy in UG and M. Pharmacy (PG) with three Specializations of Pharmaceutics, Pharmaceutical Analysis, and Pharmaceutical Regulatory Affairs. All India Council for Technical Education (AICTE), the Pharmacy Council of India (PCI) in New Delhi, and the Government of Andhra Pradesh recognize and approve these courses.

The institute's infrastructure includes well-equipped laboratories, a well-stocked library, spacious lecture halls, separate hostels for boys and girls, a hygienic canteen, a generous playground, payphones, computer labs, and language labs. These amenities collectively create an environment conducive to academic learning, offering students quality education in a clean and comfortable setting.

We are proud to feel that our product has achieved glorious, outstanding results in both the on-campus and off-campus selections and is in highly competitive positions.

## QUALITY POLICY

Sri Sivani Educational Society committed to create quality professionals in order to meet emerging industrial and society needs through a system of quality assurance and to continuously address, monitor and evaluate the quality of education thorough an effective teaching and learning process.

### **OBJECTIVES OF THE PROGRAMME**

The objective of the One Day Workshop on Understanding Indian Patent Law: Procedures for Filing and Granting Patents is to provide participants with a comprehensive and practical understanding of the patent filing and granting procedures in India. Through interactive sessions and real-world examples, the workshop aims to familiarize attendees with the key aspects of Indian patent law, including the intricacies of drafting patent applications, navigating the patent office, and ensuring compliance with legal requirements. By the end of the workshop, participants will have gained the knowledge and skills necessary to confidently engage in patent-related activities, such as preparing effective patent applications, responding to office actions, and strategizing patent prosecution. Whether for inventors, researchers, legal professionals, or business stakeholders, this workshop intends to empower participants with the insights needed to effectively navigate the Indian patent landscape and contribute to innovation and intellectual property protection.

**Dr. CH. Nooka Raju interacting and delivered his talk to students on 07.01.2019.**

### **OUTCOME OF PROGRAMME**

Participants can expect the following outcomes from the seminar:

1. **Foundational Understanding:** Participants will gain a solid understanding of the key concepts and principles of Indian patent law, including its significance in protecting innovations.

2. **Patent Filing Procedures:** Attendees will be equipped with comprehensive knowledge about the step-by-step procedures involved in filing patent applications in India, covering documentation, forms, and requirements.
3. **Application Drafting:** Participants will learn the art of drafting effective patent applications, including the creation of detailed specifications and claims to maximize protection.
4. **Prior Art Search:** The workshop will provide insights into conducting thorough prior art searches, ensuring participants understand the existing landscape before proceeding with patent filings.
5. **Examination Process:** Attendees will be familiarized with the patent examination process in India, including the role of patent examiners, response drafting, and potential amendments.
6. **Understanding Patentability:** Participants will grasp the criteria for patentability, including novelty, inventive step, and industrial applicability, enabling them to assess the viability of their innovations.

Overall, the workshop aims to empower participants with the knowledge and practical skills necessary to navigate the complex landscape of Indian patent law, enabling them to confidently file and pursue patents while aligning their innovation strategies with legal requirements.

## ABOUT THE COLLEGE

Sri Sivani College of Pharmacy was established in the year 2007 under the visionary management of Sri Sivani Educational Society, led by highly motivated and philanthropic individuals with a vision for meticulous planning and commitment to the upliftment of professional education in rural areas of Srikakulam district, Andhra Pradesh. The college is situated in the Eastern Ghats of Andhra Pradesh with a serene, beautiful atmosphere near NH-16, making it easily accessible by bus and local transport from Srikakulam town. The campus is spread across 2.56 acres of pollution-free, picturesque, lush green surroundings, creating the right ambiance and conducive environment for quality education and research.

The college building is spacious and constructed as per All India Council for Technical Education (AICTE) norms and specifications and the Pharmacy Council Of India (PCI), New Delhi.

The college offers B. Pharmacy in UG and M. Pharmacy (PG) with three Specializations of Pharmaceutics, Pharmaceutical Analysis, and Pharmaceutical Regulatory Affairs. All India Council for Technical Education (AICTE), the Pharmacy Council of India (PCI) in New Delhi, and the Government of Andhra Pradesh recognize and approve these courses.

The institute's infrastructure includes well-equipped laboratories, a well-stocked library, spacious lecture halls, separate hostels for boys and girls, a hygienic canteen, a generous playground, payphones, computer labs, and language labs. These amenities collectively create an environment conducive to academic learning, offering students quality education in a clean and comfortable setting.

We are proud to feel that our product has achieved glorious, outstanding results in both the on-campus and off-campus selections and is in highly competitive positions.

## QUALITY POLICY

Sri Sivani Educational Society committed to create quality professionals in order to meet emerging industrial and society needs through a system of quality assurance and to continuously address, monitor and evaluate the quality of education through an effective teaching and learning process.

## OBJECTIVE OF THE PROGRAM

The objective of the One Day Workshop on Understanding Indian Patent Law: Procedures for Filing and Granting Patents is to provide participants with a comprehensive and practical understanding of the patent filing and granting procedures in India. Through interactive sessions and real-world examples, the workshop aims to familiarize attendees with the key aspects of Indian patent law, including the intricacies of drafting patent applications, navigating the patent office, and ensuring compliance with legal requirements. By the end of the workshop, participants will have gained the knowledge and skills necessary to confidently engage in patent-related activities, such as preparing effective patent applications, responding to office actions, and strategizing patent prosecution. Whether for inventors, researchers, legal professionals, or business stakeholders, this workshop intends to empower participants with the insights needed to effectively navigate the Indian patent landscape and contribute to innovation and intellectual property protection.

## PROGRAMME REPORT

<b>PROGRAMME NAME</b>	A One Day Seminar on Experimental Design and Research Methodology: Principles and Applications
<b>RESOURCE PERSON</b>	<b>Dr.G.CHANDRA SEKHAR</b> PROFESSOR YALAMARTY COLLEGE OF PHARMACY, VISAKHAPATNAM, PHONE NO: 9160704028 EMAIL ID: gonuguntac2@gmail.com
<b>DATE OF ACTIVITY</b>	14.02.2019
<b>PROGRAMME COORDINATOR</b>	Mr.S.K.Sahoo M.Pharm Sri Sivani College of Pharmacy
<b>VENUE</b>	SSCP SEMINAR HALL
<b>ORGANISED BY</b>	SRI SIVANI COLLEGE OF PHARMACY
<b>NO OF PARTICIPANTS</b>	50

### OBJECTIVES OF THE PROGRAMME

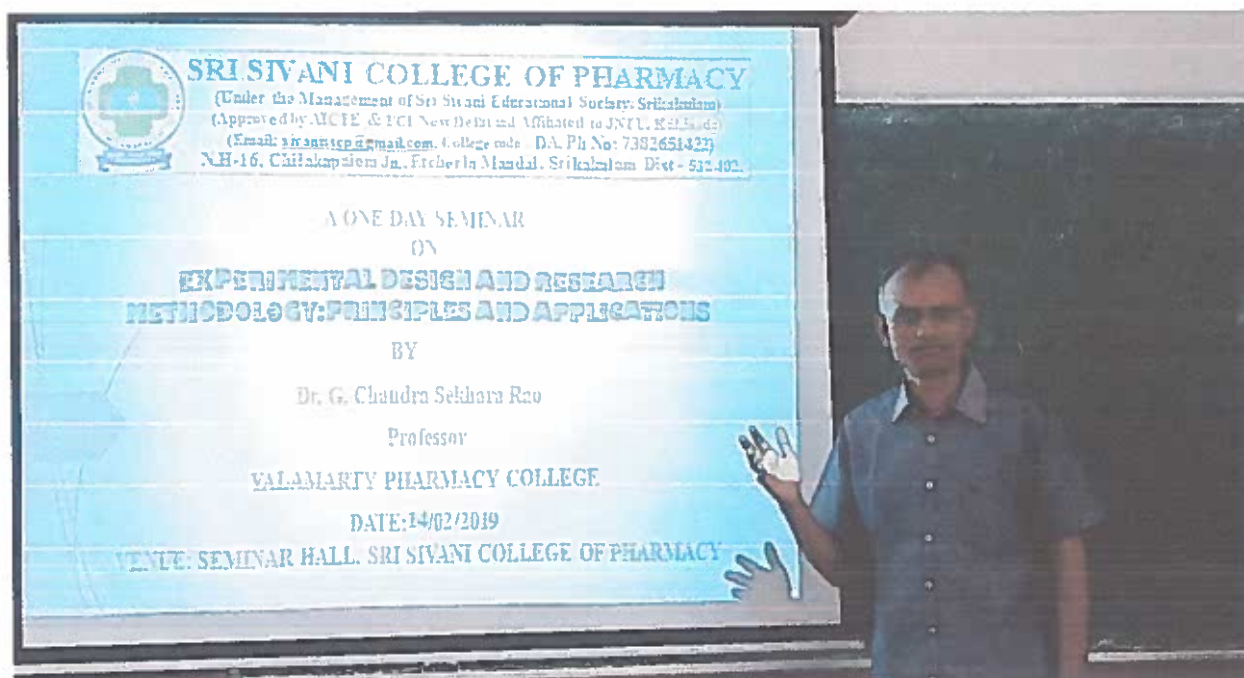

**Objective:** The primary objective of this one-day seminar is to provide participants with a comprehensive understanding of experimental design principles and methodologies. The seminar aims to equip attendees with the knowledge and skills necessary to design, plan, and conduct effective experiments across various fields of study. By the end of the seminar, participants should be able to apply sound experimental design practices, optimize research outcomes, and make informed decisions based on experimental data.

### Seminar Objectives:

- 1. Foundational Understanding of Experimental Design:** Participants will gain a solid understanding of the fundamental concepts and principles of experimental design, including variables, controls, randomization, and replication.
- 2. Selection of Appropriate Research Methods:** Attendees will learn how to choose the most suitable research methods based on their research questions and objectives. They will explore various experimental designs, such as between-subjects, within-subjects, and factorial designs.

**Dr.G.Chandra Sekhar interacting and delivered his talk to students on 14.02.2019**

**Outcome of the seminar:**

The one-day seminar on Experimental Design and Research Methodology aims to equip participants with a comprehensive understanding of the fundamental principles and practical applications of experimental design in various fields. By the end of the seminar, attendees will have gained valuable knowledge and skills to effectively plan, execute, and analyze experiments, leading to more robust and reliable research outcomes. The seminar's outcome includes:

- 1. Understanding Experimental Design Principles:** Participants will gain a solid grasp of the core principles underlying experimental design, including randomization, control groups, replication, and blinding. They will understand how these principles contribute to the validity and reliability of experimental results.
- 2. Knowledge of Different Experimental Designs:** Attendees will be introduced to various experimental design types, such as completely randomized designs, factorial designs, and blocked designs. They will learn when and how to apply each type based on research objectives and constraints.

3. **Effective Variable Selection and Manipulation:** The seminar will emphasize the importance of selecting relevant variables and appropriately manipulating them to observe meaningful effects. Participants will learn to identify confounding variables and strategies to control for them.
4. **Data Collection and Measurement Techniques:** Attendees will explore best practices for collecting accurate and reliable data. The seminar will cover techniques for minimizing measurement errors, bias, and variability in data collection processes.
5. **Statistical Analysis Methods:** The seminar will introduce attendees to basic statistical analysis methods, including descriptive statistics and inferential tests. Participants will learn how to choose the right statistical test based on experimental design and data characteristics

4. **Challenges and Risk Management:** To highlight the common challenges and risks faced by entrepreneurs in India, such as funding constraints, market competition, and scalability issues, and to discuss strategies for mitigating these challenges.,

#### **OUTCOME OF PROGRAMME**

The "One Day Seminar on Entrepreneurship in India: Opportunities and Challenges" aims to provide participants with valuable insights into the entrepreneurial landscape in India. By the end of the seminar, attendees can expect to achieve the following outcomes:

1. **Understanding Entrepreneurial Ecosystem:** Participants will gain a comprehensive understanding of the current entrepreneurial ecosystem in India, including its key stakeholders, trends, and dynamics.
2. **Identification of Opportunities:** The seminar will enable participants to identify emerging business opportunities in various sectors, leveraging India's diverse market and evolving consumer needs.
3. **Challenges Awareness:** Attendees will become acquainted with the challenges that entrepreneurs commonly face in India, such as regulatory hurdles, funding constraints, market competition, and scalability issues.
4. **Business Idea Refinement:** Through interactive sessions, participants will learn how to refine and validate their business ideas, ensuring alignment with market demand and feasibility.
5. **Strategic Planning:** The seminar will guide participants in developing effective business strategies, including market entry approaches, differentiation, and value proposition.
6. **Funding Insights:** Attendees will gain insights into different funding options available to startups and entrepreneurs in India, ranging from venture capital to government schemes.
7. **Legal and Regulatory Considerations:** Participants will understand the legal and regulatory aspects of setting up and running a business in India, ensuring compliance with relevant laws.
8. **Networking Opportunities:** The seminar offers networking opportunities, allowing participants to connect with fellow entrepreneurs, mentors, and industry experts.

Overall, the seminar intends to equip participants with the knowledge, tools, and inspiration needed to embark on successful entrepreneurial endeavours in India. By understanding the opportunities, overcoming challenges, and leveraging the resources available, participants will be better prepared to navigate the complexities of the Indian business landscape and contribute to the country's vibrant entrepreneurial ecosystem.

## ABOUT THE COLLEGE

Sri Sivani College of Pharmacy was established in the year 2007 under the visionary management of Sri Sivani Educational Society, led by highly motivated and philanthropic individuals with a vision for meticulous planning and commitment to the upliftment of professional education in rural areas of Srikakulam district, Andhra Pradesh. The college is situated in the Eastern Ghats of Andhra Pradesh with a serene, beautiful atmosphere near NH-16, making it easily accessible by bus and local transport from Srikakulam town. The campus is spread across 2.56 acres of pollution-free, picturesque, lush green surroundings, creating the right ambience and conducive environment for quality education and research.

The college building is spacious and constructed as per All India Council for Technical Education (AICTE) norms and specifications and the Pharmacy Council Of India (PCI), New Delhi.

The college offers B. Pharmacy in UG and M. Pharmacy (PG) with three Specializations of Pharmaceutics, Pharmaceutical Analysis, and Pharmaceutical Regulatory Affairs. All India Council for Technical Education (AICTE), the Pharmacy Council of India (PCI) in New Delhi, and the Government of Andhra Pradesh recognize and approve these courses.

The institute's infrastructure includes well-equipped laboratories, a well-stocked library, spacious lecture halls, separate hostels for boys and girls, a hygienic canteen, a generous playground, payphones, computer labs, and language labs. These amenities collectively create an environment conducive to academic learning, offering students quality education in a clean and comfortable setting.

We are proud to feel that our product has achieved glorious, outstanding results in both the on-campus and off-campus selections and is in highly competitive positions.

## QUALITY POLICY

Sri Sivani Educational Society committed to create quality professionals in order to meet emerging industrial and society needs through a system of quality assurance and to continuously address, monitor and evaluate the quality of education thorough an effective teaching and learning process.
